SCIENCE + FEELING

this product is supported

Multiple Studies prove statistical significance in areas of:

- Stress relief
- Cortisol reduction
- Weight loss
- Joint pain and stiffness
- Arthritis
- Muscle spasms, Sprains and Strains

NATURES ELEMENTS

NEGATIVE IONS

nature's energiser, deliver a molecular level massage. This accelerates and deepens all healing and cleansing processes. It balances pH by decreasing acidity and is considered the 'master power switch' that activates the body's entire cellular communication system. Negative ions can alleviate allergies, migraines, and sinus problems.

AMETHYST AND FAR-INFRARED

Amethyst quartz is a super conductor scientifically found to offer a steady delivery of healthy far-infrared light waves and the highest vibrational frequencies into the body. Amethyst is nature's natural anti-inflammatory, penetrating all cellular structures, crossing blood brain barrier to provide the healthiest possible anti-inflammatory with zero negative side effects. This offsets all environmental stressors.

BIOMAT

the future of healing

Nobel prize-winning scientific research pioneered by NASA and developed using pure, natural materials.

- 77% of patients in studies maintained pain relief after 2 years and were able to go back to work after being on disability
- 100% of patients reported statistically significant results in improved anger, depression and pain relief
- Results concluded after daily use for 4 weeks

Amethyst's healing properties have been acknowledged and celebrated for centuries by ancient scientists, healers and others. Now, modern science has confirmed the highly conductive properties of this remarkable mineral and have incorporated it into the best way for deliverable healing phenomena.
